WOOD BOX HEROES

Wood Box Heroes, the American acoustic super-group, is hardly anything like the bluegrass music you used to find in the cassette player of your grandad's old chevy pickup truck. Deeply rooted in tradition while melding together an eclectic array of sounds from the country, bluegrass, blues, jazz, rock, and classical varieties, paired with crafty and authentic songwriting, the band delivers a piercing listening experience that plunges deep into the caverns of the soul.

BRINGING TOGETHER SOME OF THE WORLD'S MOST TALENTED PLAYERS
